

## DON'T BE SIDELINED BY AN INJURY

**Whether the injury is recent and you want to escalate healing, or the injury is chronic and hasn't healed properly — we have an herbal formula that will provide the relief you need!**

The **SHAOLIN SHUANG JIN XUE GU DAN** formula's use dates back many centuries and its fame has grown based on its ability to speed up the healing of tendons, ligaments, and bone breaks that were more often a result of arm twisting and joint dislocation that are a common occurrence in the martial art known as *Chin Na*. However, in recent years our patients many of whom are ballerinas, weight lifters, runners, professional athletes, even non-athletes swear by the efficacy of this formula.

### **HISTORY**

In our opinion, no other formula exists that even comes close to matching the power of **SHAOLIN SHUANG JIN XUE GU DAN** for treating dislocations, injuries to the ligaments and tendons, as well as mending broken bones. It will invigorate the tissues and escalate healing, and if you have a stubborn injury that hasn't healed, this formula will correct the problem. First presented in the book *the Warrior as Healer*, we have received constant feedback from martial artists around the World expressing their amazement at the efficacy of this formula.

## PREPARATION

Traditionally this formula was made into a decoction; however the taste of the formula is too harsh for Western tastes and we strongly advise you to make capsules by putting the powder into 00-size capsules. If you do not have access to 00-size capsules, we do sell those 500 for \$15.00 or 1,000 for \$30.00.

## NOTE

If you decide you don't want to be bothered making capsules, you can still use the formula by adding one heaping teaspoon of powder to your favorite smoothie or juice, and do this 1-3 x daily until healing is complete. We recommend the smoothie because it will hide the taste of the powder. Regretfully, due to rising costs — there will be a \$10.00 extra fee applied for powdering.

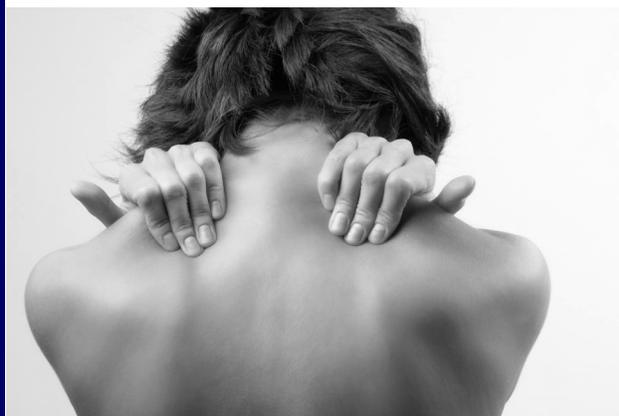

## DAILY DOSAGE

Take one heaping teaspoon of powder in juice/ smoothie 1-3 x daily or take 3 capsules 3 x daily with 1 ounce of sake, plum wine, or sweet rice wine (dilute with 3 ounces of water) -- it can also be used without wine. Wine is recommended because traditional Chinese medicine believes wine will escalate the healing process. You will begin to feel an improvement within 5-10 days of use ~ *continue taking the formula until healing is complete.* Expect to take the formula for at least 60+ days to achieve optimum results.
